

# FoodE Winter School

## Sustainability Assessment of City-Region Food Systems

[REGISTRATION LINK](#)

**FoodE** aims to accelerate the growth of sustainable and resilient City/Region Food Systems (CRFS) by bringing together citizen-led local food initiatives across Europe.

Free-of-charge and addressed to PhD and Master Students, the FoodE Winter School will be developed during 3 days (24h in total – 3 ECTS) from 9AM to 1PM (theory) and 2PM to 6PM (practical exercises)

**February 24<sup>th</sup>**
