

Personal information

First name / Surname	GAETANO LA MANNA MD, PhD
Address	Nephrology, Dialysis and Renal Transplantation Unit of the AOU S.Orsola-Malpighi University Hospital (Pad. 15), Via Massarenti 9, 40138 Bologna, Italy
Phone	+39 051 2144577
Mobile	+39 389 2781981
E-mail	gaetano.lamanna@unibo.it
Nationality	Italian
Date of birth	April 26, 1962
Gender	Male

Work experience

Dates	Since October 12 th , 2020
Occupation or position held	Full Professor of Nephrology
Main activities and responsibilities	Research and teaching activities in the scientific disciplinary sector MED/14 (Nephrology)
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Academic activity
Dates	Since November 2017
Occupation or position held	Vice-coordinator of the PhD in Cardio Nephro Thoracic Sciences.
Main activities and responsibilities	Co-organizing the teaching activities in the PhD in Cardio Nephro Thoracic Sciences
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Academic activity
Dates	Since November 2015
Occupation or position held	Director of the Nephrology, Dialysis and Renal Transplantation Unit of the S. Orsola-Malpighi University Hospital of Bologna.
Main activities and responsibilities	Responsible for all the patient care activities in Nephrology, Dialysis and Renal Transplant
Name and address of employer	S. Orsola-Malpighi University Hospital of Bologna. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Scientific Services; Health Care (Nephrology, Dialysis, Renal Transplant)
Dates	November 2014-December 2015
Occupation or position held	Acting Director of Nephrology, Dialysis and Renal Transplantation Unit of the S. Orsola-Malpighi University Hospital of Bologna
Main activities and responsibilities	Responsible for all the patient care activities in Nephrology, Dialysis and Renal Transplant
Name and address of employer	S. Orsola-Malpighi University Hospital of Bologna. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Scientific Services; Health Care (Nephrology, Dialysis, Renal Transplant)
Dates	Since June 2014
Occupation or position held	Member of the Departmental Board of the DIMES of the University of Bologna.
Main activities and responsibilities	Participation in the decisions of the Departmental activities
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)

Type of business or sector	Academic activity
Dates	December 2013-October 2014
Occupation or position held	Coordinator of the Pre-Transplant Phase of the Kidney Transplant Program at S. Orsola-Malpighi University Hospital of Bologna
Main activities and responsibilities	Responsible for all the pre-transplant activities and those related to the management of the center of Bologna in the Emilia-Romagna kidney transplant waiting list
Name and address of employer	S. Orsola-Malpighi University Hospital of Bologna. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Scientific Services; Health Care (Nephrology, Dialysis, Renal Transplant)
Dates	Since November 2008
Occupation or position held	Director of the Post-graduate School of Nephrology at the University of Bologna
Main activities and responsibilities	Coordinator of the teaching activities in the 4-year course of specialization in Nephology
Name and address of employer	University of Bologna, Department of Experimental, Diagnostic and Specialty Medicine (DIMES). Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Teaching activity (Nephrology, Dialysis, Renal Transplant)
Dates	Since October 2003
Occupation or position held	Associate Professor of Nephrology SSD MED/14, Faculty of Medicine and Surgery
Main activities and responsibilities	Teaching activity of Nephrology in different Degree Programmes of the School of Medicine
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Teaching activity
Dates	Since November 2002
Occupation or position held	Member of the Academic Board of the PhD in Cardio Nephro Thoracic Sciences and Coordinator of the Program in Nephrology within the same PhD.
Main activities and responsibilities	Participation in the decisions of the Academic Board and responsibility for the teaching activities of the Nephrology programme within the PhD in Cardio Nephro Thoracic Sciences
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Academic activity
Dates	Since September 1999
Occupation or position held	Agreement related to patient care service ("Convenzione assistenziale"), Nephrology, Dialysis and Renal Transplant Unit of S. Orsola-Malpighi University Hospital of Bologna.
Main activities and responsibilities	Patient care activities in Nephrology, Dialysis and Renal Transplant
Name and address of employer	S. Orsola-Malpighi University Hospital of Bologna. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Scientific Services; Health Care (Nephrology, Dialysis, Renal Transplant)
Dates	Since November 1998
Occupation or position held	Assistant Professor of Nephrology SSD MED/14, Faculty of Medicine and Surgery
Main activities and responsibilities	Teaching activity of Nephrology in different Degree Programmes of the School of Medicine
Name and address of employer	University of Bologna, DIMES. Address: Policlinico S. Orsola (Pad. 15), Via Massarenti 9, 40138 Bologna (Italy)
Type of business or sector	Teaching activity
Education and training	
Dates	1992 - 1988
Title of qualification awarded	Graduated in Medicine and Surgery
Principal subjects / occupational skills covered	Thesis topic: "Immunological monitoring of kidney transplant, clinical and experimental research". The study was focused on novel laboratory to evaluate the clinical course of kidney transplant recipients based on the use of flow cytometry.
Name and type of organisation providing education and training	University of Bologna (Italy)
Level in national or international classification	Higher education / University Single cycle degree

Dates	1988-1992																														
Title of qualification awarded	Post-graduate Diploma in Nephrology																														
Principal subjects / occupational skills covered	Thesis topic: "Modifications of cardiac hemodynamics during hemodialysis". The research highlights the alteration of the cardiac compliance of left ventricle, evaluated primarily in diastole at the beginning and at the end of dialysis session, comparing two different methods of artificial replacement of renal function (HD vs HDF).																														
Name and type of organisation providing education and training	University of Bologna																														
Level in national or international classification	Higher education / University Recognised Nephrologist																														
Dates	1993 - 1995																														
Title of qualification awarded	PhD in Nephrology																														
Principal subjects / occupational skills covered	Thesis topic: "Control on the progression of renal failure by dopamine-agonists". This is a multicenter study, carried out in double blind on 200 patients, showing a positive effect of dopaminergic drugs (active orally) in slowing the progression of renal failure over 2 years of observation.																														
Name and type of organisation providing education and training	University of Bologna																														
Level in national or international classification	Higher education / PhD																														
Dates	1996 - 1997																														
Title of qualification awarded	Post-doctorate degree in Medical Science																														
Principal subjects / occupational skills covered	Thesis topic: "Clinical and instrumental intradialytic validation of model for the prediction of solute kinetics and new perspectives in profiled hemodialysis". The research considers the predictivity of a priori computation of the amount of sodium removed during hemodialysis, and makes it possible to predict the plasma volume changes and plasma osmolarity changes induced by a given sodium concentration profile in the dialysate.																														
Name and type of organisation providing education and training	University of Bologna																														
Level in national or international classification	Higher education / University Post-doctoral programme

Additional information	<ul style="list-style-type: none"> Editor-in-chief of the <i>Giornale Italiano di Nefrologia</i>. 																														

- Associate editor of *Blood Purification* journal
- Member of the Editorial board of *Artificial Organs* journal.
- Reviewer for several scientific magazines, including *Kidney International*, *Kidney and Blood Pressure Research*, *American Journal of Nephrology*, *PLoS One*, *Therapeutic Apheresis and Dialysis*, *Artificial Organs*, *Cochrane Review Group*, *Cochrane Protocol*.
- Member of national and international societies: Italian Society of Nephrology (SIN); European Society of Artificial Organs (ESAO).
- Researcher in 3 national main projects concerning Nephrology and Dialysis topics (grant from CNR and MURST).
- Winner of 6 national awards for scientific publications and research activities.
- Invited speaker, chairman and organizer at more than 30 national and international scientific congresses, seminars and courses.
- Main academic activities:
 - Teacher of “Nephrology”, “Reading and Interpretation of normal and pathological hemogasanalysis. Renal compensation”, and “Acute Renal Failure and Nephrology Emergency Medicine” within the Single Cycle Degree/Combined Bachelor and Master in Medicine and Surgery, School of Medicine, University of Bologna.
 - Teacher of “Nephrology” within the Second Cycle Degree/Two Year Master in Medical Biotechnology and First cycle degree/Bachelor in Nursing, Campus of Rimini.
 - Director of the Master-University of Bologna in Oncology Nursing at the Scientific Institute for the Study and Treatment of Tumors in Meldola.
 - Teacher in the Course of “Nephrology and Renal Replacement Techniques” within the Master-University of Bologna in “Nursing in Critical Area” at S.Orsola-Malpighi University Hospital of Bologna.
 - Supervisor of 51 theses in Medicine and Surgery.
 - Supervisor of 7 theses in Medical Biotechnology.
 - Supervisor of 3 theses in Biology.
 - Supervisor of 26 theses for the Post-graduate degree in Nephrology.
 - Tutor and Thesis Supervisor in 19 PhD Programs.
 - Member of the Evaluation Commission in 12 admission exams for “Assegno di Ricerca” (University grant).

Scientific production

Author of over 225 peer-reviewed publications (current update based on Pubmed, Scopus and Web of Science databases, h-index 24).
