

Become a PhD Ambassador Abroad!

Are you a PhD student spending part of your studies abroad?

You can represent the B2F2 - D3 PhD Programmes as an Ambassador at your host institution!

Your Role as a PhD Ambassador:

- Promote the PhD Programme internationally
- Share your research and academic experience
- Strengthen our global visibility and collaborations
- Inspire Master's students and future doctoral candidates

Why Get Involved?

- Gain Doctoral Credits for your contribution
- Enhance your academic and communication skills
- Expand your international research network

**Be the face of our PhD community abroad and help
inspire the next generation of researchers**
